

JCI Barbados promises an EPIC Year as the global movement celebrates 100 Years in 2015

In tune with their 2015 theme, “Celebrating an EPIC legacy,” Junior Chamber International (JCI) Barbados (formerly Barbados Jaycees) acknowledges the progressive role that JCI has played in the Barbadian community for the past fifty-seven (57) years and looks forward to building on the firmly laid foundation cast by their predecessors. This year is a special one for the global JCI movement which celebrates 100 years of impacting communities around the world and celebrating the 17th year of their flagship project “Special Day for Special Children”.

“JCI Barbados will continue to work towards our vision to be the leading global network of young active citizens and providers of sustainable solutions to the Barbadian community,” says Khaleid Holder, 2015 Local President, JCI Barbados.

After a period of growth in 2012-2014, JCI Barbados elected and inducted their 2015 Board of Directors, which included, President – Khaleid Holder; Vice Presidents – Gabrielle Gibson, Alian Ollivierre and Dwayne Worrell; Treasurer – Julica Cave; Secretary – Charlene Corbin and Legal Counsel – Abena Agard. This Board of Directors will be responsible for fulfilling the JCI Barbados’ Plan of Action for 2015 which was adopted at the Annual General Meeting on January 22, 2015. This plan includes the launch of several high-impact community projects and programmes, including the expansion of the flagship project, 'Special Day for Special Children', which caters primarily to children with disabilities. Also involved will be development programmes for teenagers/young adults, an environment pilot project and a Mathematics competition for children in Primary schools across Barbados.
