Message From The President

Charlene Corbin
 JCI Barbados President

JCI Barbados is officially in gear! It is a new year for great beginnings, fantastic experiences and embracing new and old friends. It is with a humbling heart that I wish to thank everyone for their continued support and I truly look forward to working with everyone this year. To the entire JCI family, let us not lose our PASSION to create development opportunities that empower

young people to create positive change. I urge past, current and new members not to lose sight of why we joined this great organisation. We are all part of a movement that has been in existence for over 100 years and we cannot continue this great legacy without the heart of our organisation – our members. Do not be afraid to CONNECT with one another. This is our year of connectivity: encourage fellow members, friends, family, and partners to support and strive for the JCI Vision. We all have the power to be better and together I know we can make a great difference within our homes, workplaces and communities! And so my fellow jaycees, Just Act! Reach out and lend a helping hand. We are all Passionate leaders for Positive Impact. Internationally, regionally and locally, this is our united mission. Let us continue to embrace our Passion, aim to Connect with each other and Act for positive Impact!

Passion. Connect. Act! – 2016 JCI Barbados Theme
